Hi

Back at work Monday morning after a week at Hamilton Fieldays "wow" what a Fielday, thank you all so much for your support and encouragement. It was confirmed, we are on the right track with all the great feedback and with plenty of sales to prove we have what you want.

The boys in the workshop have been waiting with baited breath to see how we got on and how hard or how much harder they are going to have to work, they are all pleased to see plenty of work coming in.

So for the next few weeks everyone will be hands on deck to get product out and following up on enquiry's, site visits and helping people make decisions on what is the right product for them. If we are too slow to contact you please call us, we would love to hear from you again.

A very important thank you must go to our good friend Chloe, we couldn't have done it without the Pea and Ham soup, Louise cake and Chocolate biscuits, thank you so much, no cold chips and soggy steak sandwiches all week.

Next we are off to Australia in August for Sheepvention, after that we are in the South Island for the Canterbury A&P Show, see you there.

Kind Regards

Melanie Brooker and the rest of the Farmquip Boys
